ABOUT THE HOUSE

Travel, held in *one place*.

Tuwafute Machozi Tours is a Zanzibar house for private travel — island excursions, beach days, mainland safari, stays and transfers, arranged as one itinerary.

In Kiswahili, *tuwafute machozi* means let us wipe their tears. Guests who travel with us enable charity work across the island. Every trip includes a private guide. Prices are confirmed for your dates — nothing is taken on the website.
